The Fisher 23

With its asymmetric wheelhouse the total volume in the boat is optimized and makes it easy to move around. Inside the cabin the comfort is present even as on the bridge.

The excellent navigation, high performance, easy driving, uncompromised sea keeping skills meet the expectations of most demanding anglers.

The Fisher range combines effortlessly style and performance without any compromise on the practical details and safety features.

Seasoned fishermen will appreciate this Fisher 23 as it super boat to fish all round the boat. The hull handles rough water with ease. The boat is fuel-efficient and with moderate engine power planes easily.

The boat offers and excellent stability even when several passengers fish from different sides.
