CUDDY 19

The Cuddy 19

is the perfect choice for boaters and anglers looking for an economical boat, versatile, easy to drive with excellent performances.

A fillet table with lockers and two extra seats can easily be added in this large cockpit, still leaving a lot of space to walk around.

The Smartliner Cuddy 2I has a deep and huge cockpit, it is a unique self-bailing boat in this size.

The hull of the Smartliner boats have the particularity to plane and glide with engines of moderate power. The stability of the boat when stopped and during navigation is remarkable. This has become a major asset of the brand.

FISHER 22

This fishing boat is characterized by its asymmetric cabin on starboard side creating an easy passage to the front of the boat and the two-seater bench.

This Smartliner Fisher line has been designed with input of our Scandinavian distributors regarding the cabin dimensions with large windows,

the impressive size of the cockpit with big storages areas.

Its excellent performance and stability contribute to this harmonious, safe and efficient fishing buddy.
