

CENTER CONSOLE 22

The Center Console 22

Innovative design and functionality for this category of Smartliner leisure boats.

The manufacturing process permits unmatched storage space throughout the vessel.

The central cabin opens with a front door providing access to a surprisingly vast interior volume.

FISHER 22

The Fisher 22

This fishing boat is characterized by its asymmetric cabin on starboard side creating an easy passage to the front of the boat and the two-seater bench.

This Smartliner Fisher line has been designed with input of our Scandinavian distributors regarding the cabin dimensions with large windows,

the impressive size of the cockpit with big storages areas. Its excellent performance and stability contribute to this harmonious, safe and efficient fishing buddy.

SUNBREEZE 190

The Sunbreeze 190

Small and irresistible!

This elegant and versatile boat is the ideal choice for couples and small families. It has a full windschild protection, a spacious cockpit, allows lots of storage and is a very agile and performing boat for its size.

The self-draining cockpit is rare in its category.

Inside the bench converts into a comfortable sunbed.

This boat is easy to trail, to put in the water and to recover.

Pure boating pleasure for all.
